Subject: Nomination of oneM2M Architecture WG Vice Chairmanship

To oneM2M,

On behalf of Huawei Technologies Co. Ltd., a CCSA member, I am pleased to propose Dr. Mitch Tseng as a candidate for the position of vice chairman of the Architecture Working Group under Technical Plenary of oneM2M.

As you can see from the attached CV, Dr. Tseng is well experienced in the standardization work and wireless technologies. He has served many leadership positions in various standards fora and currently serving as the Chair of the Architecture Working Group of TIA TR-50. He has been actively taking part in the foundation of oneM2M from the very beginning. Over the past few TP meetings, Dr. Tseng had not only actively contributed to the discussions (esp. in M2M Device Aspects), but also demonstrated the capability of working with delegates from the East and the West to jointly promote the global standard work of oneM2M.

Huawei will provide all necessary support to Dr. Mitch Tseng for fulfilling his task as vice chairman of oneM2M Architecture WG.

Sincerely,

2013.1.28

Wang Xuemin

Director of Industry & Standards
