**Letter of support for the nomination of Dr. Omar Elloumi as oneM2M  
Architecture WG Chair**

Dear oneM2M Officers and Secretariat,

Alcatel-Lucent is pleased to nominate Dr. Omar Elloumi for the position of oneM2M Architecture Working Group Chair.

Omar has gained extensive experience in ICT standards and technologies from the time of obtaining his PhD in Traffic Management and QoS up until his current involvement in M2M and Smart grid standardisation.

His technical expertise is embedded in a large number of international publications, edited standards and books. Moreover, he has obtained considerable experience in standardisation through making many contributions as well as holding official managerial positions.

He has played an important role in the M2M standards ecosystem (as can be seen from his resume)

His candidacy builds upon his track record and international experience, and will bring energy, competence and dedication to the progress of the oneM2M technical agenda.

As a part of Alcatel-Lucent's standing commitment to the success of M2M related standards we will continue to provide all of the necessary support to Omar needed to undertake his roles and responsibilities if elected.
