oneM2M Heads of Delegation

Cisco Systems is pleased to announce that Fran O'Brien will stand as a candidate for election to the position of oneM2M Steering Committee Chair.

Fran is one of the "founders" of oneM2M and has been active in oneM2M since its inception. He has been an individual contributor to the Steering Committee, TIA Head-of-Delegation and Steering Committee Chair.

If elected, Cisco will provide all necessary support for Fran to allow him to undertake the role of Steering Committee Chair.

Sincerely,
