Subject: Nomination and Letter of Support for oneM2M ARC WG Vice Chairman

Dear TP officers,

On behalf of LG Electronics, I am pleased to announce that Mr. Hongbeom Ahn will stand as a candidate for the position of oneM2M ARC WG Vice Chairman at the upcoming election in oneM2M TP#15, Miami, U.S.

Mr. Ahn has been actively involved in service and application layer standards (oneM2M and OMA) since 2011 and currently he is a leader of IoT service layer standard project in LG Electronics.

With his experience in service/application standards and the implementation of oneM2M prototype demonstrated at the oneM2M showcase event, we are confident that Mr. Ahn will give a very positive influence and sincere contributions to the ARC WG and other activities as well.

LG Electronics will provide all necessary support for Mr. Ahn to perform his activities as an oneM2M ARC WG Vice Chairman.

Yours Sincerely,

Minseok Oh  
Vice President  
LG Electronics, Inc.
