Re: Nomination of Mr. Rajesh Bhalla for the Position of
        oneM2M Requirements Working Group (WG1) Vice-Chair

ZTE Corporation, a CCSA Member company is pleased to nominate Mr. Rajesh Bhalla to the position of Vice Chairman of oneM2M Requirements Working Group (WG1).

Rajesh is well versed with wireless and wireline technologies and has been actively involved in ICT Standards activities for over 15 years. He has served in several technical and leadership positions in various Standards organizations including 3GPP, 3GPP2, IEEE, IETF, WiMAX Forum and oneM2M. He has been very active as a CCSA delegate in the foundation of oneM2M and in various technical and leadership roles in oneM2M. Rajesh brings a lot of energy and competence for progressing oneM2M technical and business agenda.

Given this opportunity, ZTE Corporation will provide all necessary resources and support to Rajesh for fulfilling his responsibilities as the Vice Chairman of oneM2M Requirements Working Group.

Sincerely,

David Huo
