One M2M - TP Officers

Gentlemen:

Globecomm is a leading global provider of managed network communication solutions across multiple verticals, including government, wireless, media, enterprise, M2M and maritime. We operate in 13 locations with headquarters based in Hauppauge, NY, USA.

This letter is to introduce Mr. Medhat Mahmoud for his nomination to the position of Vice Chair, Architecture group on OneM2M.

Mr. Mahmoud has 20+ years of extensive Telecom experience with industry leaders, Ericsson, Alcatel, Lucent and Globalstar USA, as well as multi-national operators in Canada, USA, Europe, Africa, Far East and the Middle East. His vast experience also includes Telecom networks, architecture, standards and M2M Global industry expertise.

Mr. Mahmoud joined Globecomm in October 2014 as Director M2M Solutions where he has been a key member in our M2M business. His work ethic, professionalism, contribution and in-depth knowledge of global M2M industry have been appreciated within the organization.

Globecomm is taking all the measures to contribute to the success of M2M industry adoption at global level, including the support of OneM2M global standards initiative for Machine to Machine Communications and the Internet of Things.

As such we would like to nominate Mr. Mahmoud for the position of Vice Chair, on OneM2M nomination. We are confident that Mr. Mahmoud will highly contribute to the OneM2M.

Very truly yours,

GLOBECOMM SYSTEMS INC.

A handwritten signature in blue ink, appearing to read "P. Gopinath" or similar, is written over the printed name.

Gopi Polavarapu  
Vice President, Mobility Solutions
