Subject: Nomination of oneM2M Requirements & Domain Models WG Vice Chairman

To oneM2M,

On behalf of Huawei Technologies Co. Ltd., a CCSA member, I am pleased to propose Ms. Bei (Echo) Xu as a candidate for the position of vice chairman of the Requirements & Domain Models (RDM) of oneM2M.

Ms. Xu is well experienced in the standardization work and service enablement technologies. She has actively participated in various standard organizations and fora. During her participation in oneM2M, Ms. Xu has not only actively contributed to the technical discussions in both the 3GPP interworking domain and the vehicle domain, showing her outstanding technical capacity, but also been the rapporteur of requirement TS. She has won the oneM2M Technical Excellence award in 2017. She has also been active in promoting oneM2M in regional, and collaborating with external organizations such 3GPP and 5GAA. Now she is ready to further contribute to oneM2M with the Requirements & Domain Models vice chairman position (if elected).

Huawei will provide all necessary support to Ms. Bei (Echo) Xu for fulfilling her task as the vice chairman of oneM2M Requirements & Domain Models WG.

Sincerely,

A handwritten signature in black ink, appearing to be the name "李力" (Li Li).
