

Vienna/Austria, August 30th, 2022

To: oneM2M, oneM2M Secretariat

Letter of Support for the nomination of Roland Hechwartner for the position of the Chairman of the oneM2M Technical Plenary.

Deutsche Telekom (ETSI) would like to nominate Roland Hechwartner for a consecutive third term for the position of the Chairman of the oneM2M Technical Plenary.

Roland has held the oneM2M Technical Plenary Chairmanship from December 2018, having shown strong leadership not least during the recent exceptional time.

Roland served as oneM2M TP Vice Chairman from 2014 to 2018. Prior to his engagement in oneM2M since 2012, he held Vice-Chair positions in OMA, OMA TP Vice-Chair 2010 - 2014 and the OMA Requirements Vice-Chair position 2006-2012.

Deutsche Telekom believes he will be an excellent, unbiased oneM2M Technical Plenary Chairman providing leadership and support to all contributing members.

As a Member of ETSI, Deutsche Telekom strongly supports the creation and adoption of open interoperable specifications in and beyond the mobile ecosystem; Deutsche Telekom commits to ensure that Roland has the necessary time, resources and support to perform all of his duties as the Chairman of the Technical Plenary.

Kind Regards,

Heinz Polsterer,
Senior Vice President
Standards, Patents & OSPO
Deutsche Telekom / T-Mobile International
