Subject: Nomination of candidate to the position of oneM2M WG (REQ + MAS data models) Vice Chair

Dear oneM2M

On behalf of SyncTechno Inc. as a member of ETSI, I am pleased to nominate TaeHyun KIM as a candidate for the position of a Vice Chair for the new oneM2M WG(REQ + MAS data models).

Mr. Kim, head of ICT Convergence Research Center in SyncTechno Inc., successfully takes leading roles on several IoT projects, actively contributing to develop oneM2M standardization and to provide tools such as "oneM2M Resource Browser", "oneM2M Conformance Testing Tool" and "oneM2M Service Platform User Portal" as few of examples. Currently, he has been serving the Rapporteur of Public Warning Service Enabler on oneM2M communities.

With his comprehensive and competent experience on business as well as R&D in various areas, I am very confident that he will continue to initiate and share his talents to coming the new oneM2M WG(REQ + MAS data models) as Vice chair.

SyncTechno Inc. will provide all necessary supports for his activities as Vice Chair of the new oneM2M WG(REQ + MAS data models).

Sincerely,

HYOUNHEE KOO
