Support letter for the position of oneM2M TST Vice Chairman

Dear Colleagues,

I am pleased to confirm that Sensinov is willing to allocate sufficient time and resources for Dr. Mahdi Ben Alaya to continue in his role as Vice Chairman of oneM2M TST Working Group.

Dr. Mahdi Ben Alaya has been involved in oneM2M activities since its creation. He actively participated to oneM2M TST group with more than forty contributions and helped in the organization of the first oneM2M interoperability testing event held in Sophia Antipolis on September 2015. He is now working on oneM2M conformance test specifications, certification program, hackathon days, and the preparation of the second interoperability testing event to be held in Seoul on May 2016.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mahdi Ben Alaya', with a stylized flourish at the end.
