To oneM2M Officers, oneM2M Secretariat, oneM2M Members

Support Letter for the nomination of Dr. Raymond Forbes as oneM2M WG-3 Chairman.

Dear Colleagues,

On behalf of ERICSSON, I am pleased to announce Dr Raymond Forbes as candidate for the position of oneM2M Working Group 3 (Protocols) Chairman.

Raymond has participated in the field of standardization for many years across many technologies, including IN, INAP, DECT GSM, UMTS, 3G, NGN, IMS and M2M. He has also gained significant planning & Operational experience as ETSI TISPAN WG3 Chairman & ETSI TC M2M WG3 Chairman from 2002 until 2013.

Supporting active collaboration with other Standardization bodies including CEN/CENELEC, ETSI, ATSI, ITU-T, NIST/SGIP for Smart Grid.

He was involved in managing the Common IMS transfer from ETSI TISPAN to 3GPP SA & CT groups as part of the Group Function Technology within Ericsson AB.

Raymond took part in the Founding of ETSI SC EMTEL with the Emergency Communications authorities & is currently service as ETSI TC M2M Vice Chairman.

Raymond has been active in promoting the role of a single global M2M standard since its inception, promoting the ideas with collaboration around the Globe.

Ericsson will provide him the necessary support to enable good progress with oneM2M & the Working Group 3 in the role of Chairman. Ericsson is fully committed to support Raymond Forbes in this task.

Yours sincerely,
