To: oneM2M Officers, oneM2M Secretariat

Letter of support for the nomination of Dr. Omar Elloumi as oneM2M Technical Plenary Chair

Dear oneM2M Officers and Secretariat,

Alcatel-Lucent is pleased to nominate Dr. Omar Elloumi for the position of oneM2M Technical Plenary Chair.

Omar has a gained extensive experience in ICT standards and technologies from the time of obtaining his PhD until his current involvement in M2M and Smart grid.

He obtained considerable experience in standardisation through making many contributions as well as holding official managerial positions at WG level but also consortia BoD.

He is also a member of Technical Committees of several international conferences on M2M/IoT.

He has played an important role in the M2M standards ecosystem (as can be seen from his resume), in particular he is the current oneM2M architecture WG chair.

His candidacy builds upon his track record and international experience, and will bring energy, competence and passion to the progress of the oneM2M technical agenda. He is firmly committed to the promotion of oneM2M standards to make it market success.

As a part of Alcatel-Lucent's standing commitment to the success of M2M related standards we will continue to provide all of the necessary support to Omar needed to undertake his roles and responsibilities, if elected.
