Nomination Letter for the Vice Chairman position of oneM2M Technical Plenary

Deutsche Telekom (ETSI) would like to nominate Roland Hechwartner as a candidate for the role of the Vice Chair of the oneM2M Technical Plenary. Roland has held the OMA TP Vice Chair 2010 - 2014 and the OMA Requirements Vice Chair position 2006-2012 and has been actively contributing to OMA in REQ and other WGs over a period of several years. Deutsche Telekom believes he will be an excellent, unbiased oneM2M Vice Chair providing leadership and support to all contributing members.

As a Member of ETSI, Deutsche Telekom strongly supports the creation and adoption of open interoperable specifications in and beyond the mobile ecosystem; Deutsche Telekom commits to ensure that Roland has the necessary time, resources and support to perform all of his duties as the Vice Chair of the Technical Plenary.

Best Regards,

Heinz Polsterer,
Senior Vice President
International Standardization and IPR Management
Deutsche Telekom / T-Mobile International
