Subject: Nomination of oneM2M WG6 (Testing) Vice Chairmanship

To oneM2M,

On behalf of Huawei Technologies Co., Ltd. a CCSA member, I am pleased to propose Mr. Jiaxin Yin as a candidate for the position of vice chairman of the Testing Working Group (WG6) under Technical Plenary of oneM2M.

As you can see from the attached CV, Mr. Yin is well experienced in the standardization work and service enablement technologies. He has rich experience in the implementation of protocols as well as designing standardizations. Mr. Yin is also in charge of the M2M related platform and protocol innovation research, system implementation design and integration as well as interoperability test with third party systems which we think such experience would greatly enhance the testing work in oneM2M. He has been deeply involved in architecture, protocol and management design in oneM2M which would be helpful for the testing work of oneM2M. Mr. Yin has been very active on the test related issues in oneM2M as well. We believe testing work can give oneM2M greatly help on the way of commercialization. We believe Mr. Yin can bring convincing progress to the testing work to oneM2M.

Huawei will provide all necessary support to Mr. Jiaxin Yin for fulfilling his task as vice chairman of oneM2M Testing WG.

Sincerely,

WANG Xuemin

Director of Industry & Standards
