Subject: Nomination of Xuan HE

Dear oneM2M Officers and Secretariat,

Nokia is pleased to nominate Dr. Xuan (Shane) HE for the position of oneM2M Requirements and Domain Models (RDM) Chair.

Shane has a gained extensive experience in ICT standards and technologies from the time of obtaining her PhD until her current involvement in oneM2M and ITU-T SG20.

She obtained considerable experience in standardisation through making many contributions as well as holding official managerial positions at WG level.

Her candidacy builds upon her track record and international experience, and will bring energy, competence and passion to the progress of the oneM2M technical agenda. She is firmly committed to the promotion of oneM2M standards to the market place.

As a part of Nokia's standing commitment to the success of M2M related standards we will continue to provide all of the necessary support to Shane needed to undertake her roles and responsibilities, if elected.
