Prot. N.04

Subject: Supporting letter to Mr. Massimo Vanetti's candidacy to a second mandate as Chair of oneM2M – Requirements and Domain Models (RDM) Working Group

Dear Ms. Hughes,

On behalf of Small Business Standards (SBS), I would like to support the candidacy of Mr. Massimo Vanetti for a second mandate in the position of Chair of the oneM2M – Requirements and Domain Models (RDM) Working Group, under the oneM2M Technical Plenary.

Mr. Vanetti has been an SBS expert for several years and during this period he has had a strong role and involvement in oneM2M, including as Chair of the RDM Working Group during the current mandate. We are convinced that his experience and knowledge of IoT, standards and SME needs would be a great asset to the Working Group.

Please do not hesitate to contact us, should you need any additional information in support of Mr. Vanetti's candidacy.

Yours sincerely,
